Description:

RFP 0283/2010 for the supply of Rectifiers.

Critical Criteria

The following Critical Criteria will be used to evaluate the proposals:

Commercial

Potential Bidders have to comply with the following critical criteria. Non-compliance to any one of these criteria or no supporting documentation supplied, i.e. SARS certificate, with the *RFP response* for any one of the criteria may invalidate a bid.

Technical

All documentation i.e. interface specification, MIB's, protocol description for the Critical Criteria shall be submitted with the bidder's submission to this tender/RFP.

The following two requirements are regarded as Critical Criteria:

- a. The Power System **shall** have a management interface/s that supports remote Fault Reporting and System Configuration over the management interface/s.
- b. All propriety and non-propriety protocol and SNMP MIB's **shall** be made available to allow Telkom to integrate the interface with Telkom's COTS EMS and OSS systems.

The Request for Proposal document can be collected from the Telkom Tender Office at the following address:
